Jesse Adopted!

We have attached adorable individual pictures of the "Quick Way Puppies"!!! The mother of these cuties was rescued by the good folks of Quick Way Cleaners on Highway 74 near Wal-Mart in Gastonia. The puppies were born at the cleaners and have been extensively socialized by the employees there - Michelle McClure in particular. They are truly a "Heinz 57" bunch and Michelle can tell you about each and every one. The mother dog will be spayed - as we hope that the puppies will be spayed / neutered. Michelle is looking for really good homes for this precious bunch...with fenced in backyards, hopefully in the house lying on the couch or sleeping in your bed - Dogs Rule!! Please contact Michelle or Dawn at Quick Way - 704-864-8405 to schedule an adoption appointment! Let's all help out these adorable puppies and the extraordinary, caring people at Quick Way that are assisting them to find their forever homes!
